### Unemployed Vets May Get Benefits At State Office

The Torrance office of the Department of Employment will begin taking unemployment insurance claims on Oct. 27 from unemployed former members of the Armed Forces under the Extended Service Act of 1958, Murray Love, manager, announced today.

The new federal law provides a permanent unemployment insurance program for the Armed Forces similar to the program for federal civilian employees and workers in business and industry who are covered by state unemployment insurance laws. Military pay will become "wages" within the meaning of the California Unemployment Insurance Code just as if they had been earned in covered civilian employment, and unemployment insurance benefits will

### Spanish War Vets Advised on Hospital Bills

Spanish-American War veterans should not assume that Veterans Administration can pay bills for their care in non-VA hospitals, the agency cautioned today.

A substantial number of these veterans have entered private hospitals under the assumption that their care would be at VA expense and later have found they were not eligible for this benefit.

Benefits will be paid to eligible claimants in the Department's local office, 2007 W. Carson St., each week. Claimants must serve a seven-day waiting period during which no benefits are payable, as the state employment insurance law provides, and must meet all of the other eligibility requirements of that law.

DEADLINE—Today is the final day to obtain absentee voters ballot for Nov. 4 election, pretty Betty Baker points out.

### NHS Freshmen Elect Officers

Freshmen were officially welcomed into the North High Associated Student Body upon the election of their new class officers. President Dick Dixon, son of Mr. and Mrs. Everett Dixon, 4549 Cadison St., is selected to represent the Frosh in this semester activities.

Aiding him in legislative acts will be Vice President Kip Whelan, Secretary Carol Ann Hill, and Treasurer Diane McCarthy. Charleen Harris will act as Girls' League Representative while Clifford Crain will represent his class in Boys' League.

"The Freshmen have really kept up NHS tradition through their turn out at the polls," said ASB Prexy Mike Cummings. "The amount of people that tried out for offices shows the Class of '62 has great spirit."

### Educators At School Meets

Board Member Grace Wright and four representatives of the Torrance Unified School District attended the recent meetings of the California School Boards Association and California Association of School Administrators in San Diego.

Mrs. Wright was a member of the general convention committee and served on a panel discussion of "Your School Board Responsibilities." She described the methods by which Torrance schools tell the people about instructional programs—through group conferences, bulletins, the Torrance Educational Advisory Committee, and the newspapers.

Also attending the meetings were Superintendent J. H. Hull, Assistant Superintendents Albert Posner and S. E. Waldrip, and Mrs. Margaret Denmark, curriculum consultant.
